Signing In to Benefits Hub

Simpra · Case Manager Reference

Sign in

1. Go to **simprabenefits.thehelperbees.com/login** and bookmark it — you'll use it every day.
2. Enter the username and password your account team sent you.
3. Select **Sign In**.
4. If prompted, check your email for a 6-digit verification code and enter it to finish signing in.

GOOD TO KNOW

Verification codes expire 10 minutes after they're sent. If yours expires, go back to the sign-in page and enter your credentials again — a new code is sent right away. No ticket needed.

Already have a HomeAlign login?

Benefits Hub is a different system than HomeAlign, but they share the same login credentials. If you already have a HomeAlign login from The Helper Bees, sign in with the same username and password.

Forgot your password?

Look for the **Forgot password?** link on the sign-in page to start a reset. You don't need to contact support for this.

Still can't sign in?

Reach out to your account manager for help getting signed in.

REMEMBER

Use the same username and password every time. If your account team sends updated credentials, replace your saved ones — don't keep multiple sets on file.
