Signing In to Benefits Hub

Quick reference for accessing your account: Aetna case managers

1 How access gets set up

Your account team will email you the email address and password you'll use to sign in. Bookmark the sign-in page below — you'll use it every time you sign in.

2 Sign in to Benefits Hub

Go to the Benefits Hub sign-in page and enter the email address and password from your account team's email.

https://aetnabenefits.thehelperbees.com

Note: Benefits Hub and HomeAlign are different systems but share the same login credentials.

3 Verify your identity

After you sign in, check your email for a 6-digit verification code and enter it to finish logging in. Codes expire 10 minutes after they're sent. If yours has expired, just go back to the sign-in page and enter your credentials again to get a new one.

4 Trouble signing in?

- **Forgot your password?** Look for the “Forgot password?” link right on the sign-in page. It'll walk you through resetting it.
- **Can't sign in at all, or your account isn't showing up?** Submit a Zendesk ticket with the Issue Type “I need help logging in” at aetna-thb.zendesk.com/hc/en-us/requests/new.

KEY TAKEAWAY

Aetna case managers sign in at aetnabenefits.thehelperbees.com with a 6-digit email verification code (no SSO). Reset a forgotten password on the sign-in page; for anything else, submit a Zendesk ticket.
