Champion Health Case Manager FAQ

Champion Health · Case Manager Reference

What benefit does Champion Health offer?

One benefit: Respite Care, a 48-hour annual benefit that gives the member's primary caregiver a break. It is shown in Benefits Hub as 48.00 points.

Who is eligible, and where is the benefit available?

Champion Health members in California and Nevada.

What does a Respite Care visit include?

Temporary relief for the member's primary caregiver, such as companionship, personal care assistance, light housekeeping, meal preparation, and medication reminders. The provider confirms the service tasks completed on each encounter.

Why does a member only have one benefit tile?

Every Champion Health member has the one Respite Care benefit, so a single tile is expected.

Do unused hours roll over?

No. The hours expire on 12/31/2027, and unused hours do not roll over.

What quantity do I enter on the referral?

1. One unit of Respite Care is 48.00 points, which is the member's full 48-hour benefit.

A member's Remaining shows less than expected. Why?

Remaining is Plan Allowance minus Used minus Pending. Pending counts against the balance even before it's finalized.

What if the member needs service at a different address than what's on file?

Before checkout: on the Add Referral screen, select (change service address) before you choose a service. It applies to that referral only and the address on file doesn't change. It can't be edited at checkout, so if you spot a wrong address on the Referrals Summary, use the back arrow to return and change it. After checkout, fixing it takes a support ticket (not guaranteed) or a new referral.

Can THB talk to the member about their benefit?

Yes. THB can discuss benefit details and referrals with members.

Can I share the provider's phone number with the member?

Yes, once the referral reaches Accepted By Provider. The number is visible in Benefits Hub before that, but it isn't ready to share until the provider accepts.

Do I need a separate escalation or grievance form?

No. Champion Health routes every issue through the one Submit a request form at champion-thb.zendesk.com. Choose the Issue Type that fits and include full details in Additional comments. If it's urgent, also email your THB Account Coordinator with the ticket number.

What if a required ticket field doesn't apply?

Enter N/A rather than leaving it blank. Every field marked with an asterisk is required.

I'm searching by ID and getting no results. Now what?

Use Advanced Search with First Name, Last Name, and Date of Birth, and double check the ID too.

How do I reach THB, and when?

Call 833-899-5336, 8:00 am to 5:00 pm. Submit a ticket for anything you'd like tracked in writing.
