Finding Your Member

BCBS SC · Case Manager Reference

Search by ID (primary method)

1. Type the member's ID into the search bar and press Enter.
2. Use the care recipient's own ID when you have it.
3. Confirm you've opened the correct member before reviewing or creating a referral.

Advanced Search (fallback)

1. If the ID doesn't return a result, select Advanced Search.
2. Search by First Name, Last Name, and Date of Birth.
3. Confirm the member record before continuing — the member shown in training is an example only.

Reading the member landing page

SECTION	WHAT IT SHOWS
Overview	Full name, address, date of birth, phone, preferred language
Recent Activity	Latest authorization, referral, and note updates
Benefits	The member's benefit tile. Select a tile to see its authorizations and referrals

ONE BENEFIT TILE

Every BCBS SC member has a single benefit tile: Digital Wallet. It carries a $1,000 annual allowance, shown in Benefits Hub as 1000.00 points.

Inside the Digital Wallet tile

Services are grouped into three categories: In Home Support (Virtual Companion-1 hr), Home & Bathroom Safety (In-Home Safety Assessment, Bathroom grab bar/Install, Bathroom Bundle, Lever Handle Faucet/Install, Handheld Shower/Install, Raised Toilet Seat/Install, and Non-Slip Stair Tread/Install), and Virtual Products (Digital Health Literacy and Caregiver support services). The wallet is made available after an In-Home Safety Assessment is completed.

NORMAL, NOT BROKEN

A member with no referrals listed simply hasn't had one created yet. An empty list on its own isn't a problem. The allowance doesn't roll over — it expires at the end of the year.
